Association of Coloproctology Nurses (ACPN) of the ACPGBI

1-2 July 2019 • Dublin

Welcome

The 2019 Association of Coloproctology of Great Britain & Ireland (ACPGBI) annual meeting will be held on Monday 1 July to Wednesday 3 July in the vibrant city of Dublin.

The ACPN Committee has organised a contemporary and exciting programme for their Symposium, together with a first-class faculty.

In addition to the usual programme, on **Tuesday 2 July (in the afternoon)** we are holding an interactive skills workshop on abdominal assessment and rigid/flexible proctoscopy.

The interactive skills workshop is a brand new initiative for ACPN delegates to facilitate the development of important skills to extend their clinical practice.

...
50 Free places for the entire meeting to ACPN Members
[Please email the ACPGBI office for a code before registering.](mailto:admin2@acpgbi.org.uk)
(admin2@acpgbi.org.uk)

We look forward to welcoming to Dublin!
